GOLF COURSE SIGNAGE & ACCESSORIES

CAST YOUR VISION

OUR STORY

Major Markers was founded in 2006 in Muskegon, Michigan. Our family-owned company has deep roots in the metal casting industry that date back to the 1930's. Over the past 20 years we have evolved and expanded our products and capabilities by continuously upgrading manufacturing equipment and investing in our most valuable resource; our people. Major Markers has been built on our team's obsessive dedication to client satisfaction.

Innovative and creative ideas - combined with meticulous attention to detail - are the reason our products are featured prominently at the finest golf courses, private clubs, and residential neighborhoods around the world.

Uncompromising commitment to deliver the highest level of quality cast bronze and aluminum golf course signage is what our customers have come to expect. Our client brands are as important to us as our own, and you can be sure every project is unique. Let us help you "Cast Your Vision" and bring your ideas to life today!

REFINE YOUR COURSE DIRECTION

Compliment the landscape of your course with cast bronze and aluminum directional signage. Cast metal signage is a tasteful and elegant way to communicate course direction with your patrons. Combine your logo with one of our many shapes and sizes available. Use up to 30 characters per sign (minimum letter size of 1"). All golfers, whether a club member, or a first-time visitor, will appreciate a well-marked golf course. Identify speed, play and other important areas of your course with prominent, yet, elegant signage. Sketch the desired layout of your sign and we will promptly provide drawings for your approval.

See our Gallery for more examples, pages 34-35 and 57-59.

COURSE WAYFINDING OPTIONS

POST & PANEL TRAFFIC SIGNS

Place signage in strategic locations to effectively guide patrons as they enter and exit your facility. Our team can assist in identifying the optimal design solutions and materials that align with your functional needs, aesthetic goals, and budget.

STREET SIGNS

Point out specific locations and highlight important street names with clarity and ease. Available in a wide range of styles and material options to suit any streetscape or community aesthetic.

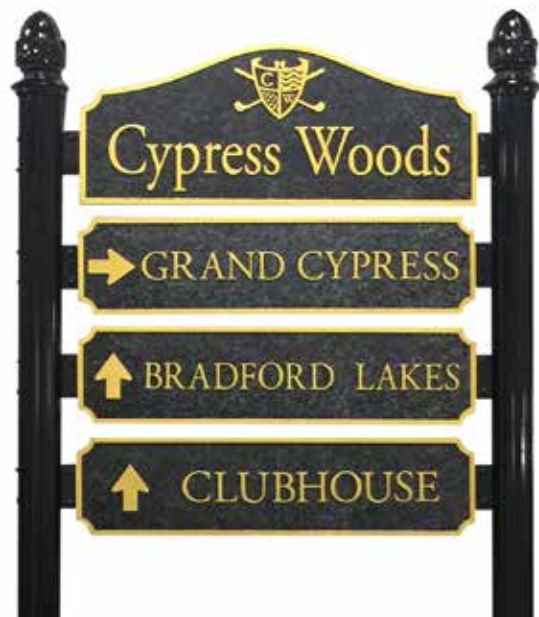

Learn more about our streetscape products.

CUSTOM CAST WAYFINDING

Our wayfinding packages feature complementary designs, materials, colors, and styles that work together to convey a clear sense of purpose, visual cohesion, and a welcoming atmosphere. We collaborate closely with you to translate your ideas into thoughtfully designed signage, carefully considering placement, fonts, sizing, and layout to ensure maximum clarity and impact. Logos and custom graphics can also be incorporated to reinforce brand identity throughout your commercial or residential development.

Custom made to fit your courses message requirements. Our unique message slider system allows for quick and easy message changes to effectively communicate with your patrons.

MARK YOUR COURSE WITH SIGNAGE THAT LASTS

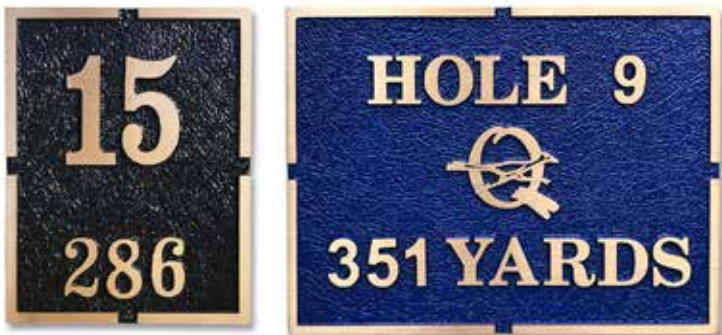

In-Ground Yardage markers are an essential element of play for any golf course. Properly marked courses can speed the pace of play and make for a more enjoyable golf experience. Multiple border options are available at no additional cost, please specify your preference at time of order.

IN-GROUND MOUNT

Raised threaded bosses on back of marker sent with 2.5" length 1/4-20 stainless steel studs.

**Standard raised border option will be used if not specified*

*RAISED

NO BORDER

BROKEN BORDER

CUSTOM FONTS

Our standard font is "Century Old Style" for cast In-Ground markers. If you prefer another font style for your markers, in order to match an existing marker or coincide with your brand image, we can accommodate. A one-time setup charge to produce the custom font will be added, see below. Minimum number/character size is 1" height.

EASEL SIGNS

“Today’s Yardage” & “Golf Time” easels are made from 1/2” recycled plastic. Flags are filled with our special resin and your choice of color. Each easel is mounted with an aluminum hinge design for an easy to move and store design. See the standard layouts below or call us with your needs. We can customize any easel to meet your requirements.

CUSTOM DIRECTIONAL

Create your own custom laminate plastic signage using options shown on page 36-37. Minimum character requirements and font styles may apply.

CUSTOM TEE MARKERS

We can create a custom plastic tee marker using a variety of manufacturing techniques and materials. Contact us with your ideas and we can develop conceptual artwork for your review.

CUSTOMIZE TO FIT YOUR NEEDS

Let us help you customize your design whatever the application may be. Full color product renderings will be provided for your review and approval on all projects. Combine any of the materials or options you see in our catalogue to create unique signs for your golf course or facilities.

Please Note: Larger signs require custom frame racks.

Introducing our custom printed sponsor signs! Elevate your golf course with personalized sponsor signs that showcase the support of your valued partners. Our high-quality signs are fully customizable, allowing you to prominently display sponsor logos, messages, and branding throughout the course. Whether it's sponsor signs, entrance signs, or directional signage our durable and weather-resistant materials ensure that your sponsors' messages remain vibrant. Enhance the sponsorship experience for your partners and create a professional, polished look for your golf course with our custom printed signs.

PRINTED SPONSOR SIGNS

Printed sponsor signs are available in both 0.125" and 0.25" thickness and can be manufactured with reflective or non-reflective vinyl. Not sure what material to go with? Contact us to review your options. Use the chart on the following page to calculate pricing.

	ITEM#	THICKNESS	VINYL MATERIAL
ONE SIDED PRINT	PRINT-AP1-125-NR1	1/8" (3mm)	Non-Reflective
	PRINT-AP1-125-HIP1		Reflective HIP
	PRINT-AP1-125-DG1		Reflective DG
	PRINT-AP2-250-NR1	1/4" (6mm)	Non-Reflective
	PRINT-AP2-250-HIP1		Reflective HIP
	PRINT-AP2-250-DG1		Reflective DG
TWO SIDED PRINT	PRINT-AP1-125-NR2	1/8" (3mm)	Non-Reflective
	PRINT-AP1-125-HIP2		Reflective HIP
	PRINT-AP1-125-DG2		Reflective DG
	PRINT-AP2-250-NR2	1/4" (6mm)	Non-Reflective
	PRINT-AP2-250-HIP2		Reflective HIP
	PRINT-AP2-250-DG2		Reflective DG

MINIMUM PER PIECE COST: \$30.00

Create custom signs of any shape and color. Max Metal substrates come in 0.125" or 0.25" thickness. They are lightweight, strong and can be custom cut to any shape. Graphics are printed on UV resistant vinyl making graphics last longer in outdoor environments.

Please Note: Larger signs require custom frame racks.

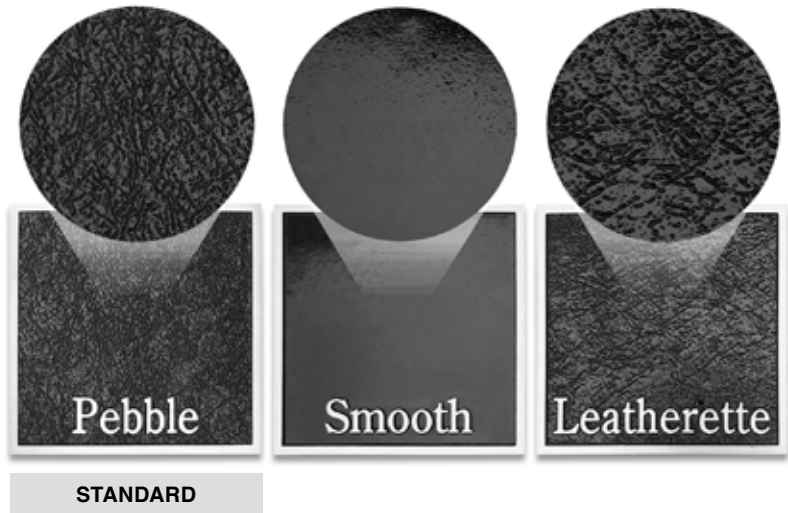

RECOGNITION, DEDICATION, COMMEMORATION & IDENTIFICATION

We can cast your custom plaque in any size or shape required, please call us with your needs. Our designers will work with you to ensure your commemorative, memorial, or dedication plaque ideas become a reality. Not sure whether to go with a cast aluminum or custom bronze plaque? Each material has distinct characteristics and advantages. Please call our customer service department for assistance in determining which material will work best for your particular application.

BACKGROUND TEXTURES

Choose from three background textures shown to the right. Pebble is our standard background texture and will be used if not specified otherwise. Additional charges may apply for Leatherette and Smooth texture options.

ADD-PLATE PLAQUES & NAMEPLATES

Removable nameplates are a perfect way to add names and logos on new or existing plaques. Plaques can be designed to accommodate nameplates for future additions. Available in a variety of sizes, call us with your request and we can design a plaque to fit your needs.

CALL FOR PRICING

SPONSOR & STORY SIGNS

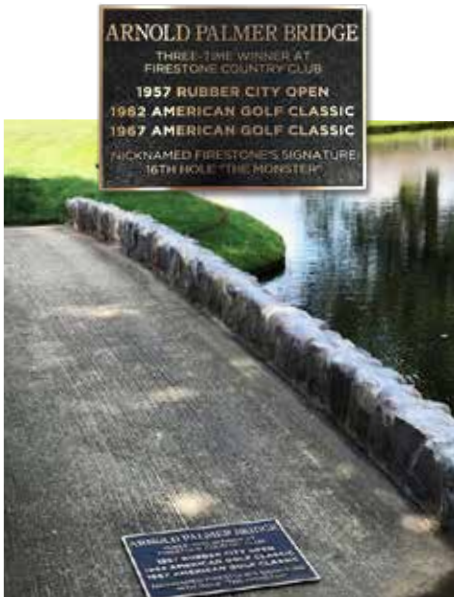

PRODUCT ID: MTG-SPONSOR

Have your tee signs tell a story, or even generate revenue! Displaying company logos or advertising below your tee sign is a great benefit for both courses and their sponsors. Recognition of important individuals or events within your organization can also be displayed for all patrons to see. Call us with your ideas and we can help your vision become a beautiful reality.

MTG-SPONSOR
INCLUDES SET OF 2 BRACKET CLIPS SIGN PRICED SEPARATELY

MEMORIAL AND COMMEMORATIVE

The game of golf is full of memorable moments and events. Cast bronze and aluminum plaques are the perfect way to mark a significant event in your organizations history.

ONE OF A KIND PLAQUES

We are dedicated to making sure important events in the game of golf are preserved for years to come. Let us help you create a show piece that your organization is proud to display for years to come.

DEDICATION PLAQUES

Create a lasting tribute for your event, building, individual or historic event with long lasting cast metal plaques. We can assist you through the design process including help choosing the material, size and layout that best fits your needs. Incorporate custom graphics, special fonts, logos or other memorable designs at no additional charge.

See pages 46-49 for pricing.

CUSTOMIZE YOUR MOUNTING

COLLAR HANGER ARM

Our decorative wrap style hanger arm fits both 3" & 4" diameter posts. Available with a variety of options including dual mounted arms and hanging basket options. Collar is custom designed to compliment posts and bases, made of cast aluminum. Call us for more details and pricing.

CALL FOR QUOTE

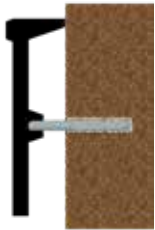

WELDED YARD ARM

Welded yard arm posts are custom built for your sign order. Arms are welded directly to post before powder coating and drilled so that signs can easily be attached with minimal assembly. Price does not include post, see page 8 for options.

MOUNTING STYLES

CONCEALED MOUNT WITH RETURN

CONCEALED STUD

Plaque has a flat back or a return so sign will lay flat against surface. Threaded studs provided to mount.

10-24 (2.5" length)

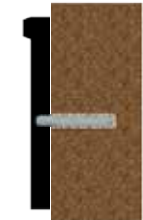

Available for concealed mount with and without return

1/4-20 (3.5" length)

Available for concealed mount with return

5/16-18 (3.5" length)

Available for concealed mount with return

CONCEALED MOUNT WITHOUT RETURN

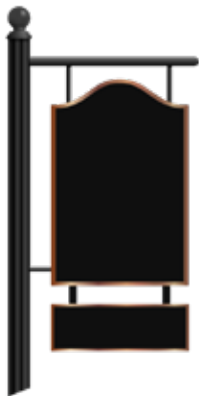

PRODUCT ID
MTG-CON

ROCK MOUNTING

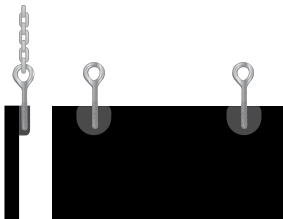

Plaque has (4) bosses located on back with (4) 3.5" length 1/4-20 fully threaded stainless steel studs provided to mount.

PRODUCT ID
MTG-IG

SPONSOR SIGN / HANGING

Sponsors hang below existing sign using provided brackets and hardware. See page 50 for additional details on available mounting styles.

EYE - BOLTS

Two stainless steel eye-bolts are threaded into raised on back edge on sign. Eye-bolt size determined by size/weight of sign. Customer must specify "center-to-center" distance and placement on back of sign before approval. Standard is (2) 1/4-20 eye-bolts.

PRODUCT ID
MTG-EYEBOLT

* See proof for additional details

PANEL MOUNTING

Two holes drilled and tapped on back of plaque. Provided with: (2) 1" x 10-24 threaded studs, and (2) Nylock Nuts used to fasten the plaque from the backside of mounting panel. Advise thickness of panel so proper hardware can be sent.

PRODUCT ID
MTG-PANEL

SCREW MOUNTING

Oval Head screws through the face of the sign into mounting surface. Screws painted to match sign background.

Screw sizes below are to scale

-  **#4 SCREW**
Drill 0.1875" / Head 0.225" / Length 0.75"
-  **#6 SCREW**
Drill 0.1875" / Head 0.279" / Length 0.75"
-  **#8 SCREW**
Drill 0.25" / Head 0.332" / Length 1"
-  **#10 SCREW**
Drill 0.25" / Head 0.385" / Length 1.55"

PRODUCT ID
MTG-SCREW

IN-GROUND MOUNTING

Plaque has (x2) raised threaded bosses located on back and provided with 2.5" length 1/4-20 stainless steel studs.

PRODUCT ID
MTG-IG

DIRECT MOUNT

Sign is fastened through post and threads into bosses on back of sign with provided stainless steel hardware.

See post options on page 8.

NOTE: If mounting to an existing post please inform us on post size and we can provide hardware.

NOTE: If double-sided direct mounting is necessary riv nut hardware is required. This style mounting requires drilling both sides through the face (top and bottom) and (2) machine screws are provided with painted heads to match the sign background.

PRODUCT ID
MTG-DM

SIDE MOUNT

PRODUCT ID: MTG-SM-BKT

Aluminum “L-brackets” are secured to back of sign. Brackets are then secured to pre-drilled post using provided stainless steel hardware.

Not available for double-sided sign.

5” x 5/16” SINGLE	MTG-SPIKE-03

OUR FINISHES...WHY THEY ARE THE BEST

We finish all of our products using the highest quality materials, equipment and processes in the industry. Unlike other companies, we do not keep our finishing techniques and materials a secret from the customer. We want our customers to know how products are being finished so they are comfortable in knowing they will receive the highest quality coatings available. Over the years we have perfected our process with help from Matthews Paint Company and PPG. Our signs and markers have undergone rigorous testing in scratch, solvent and salt spray testing facilities. We are confident you will not find a better coating system that allows for such a diverse selection of colors (Pantone Matching System) available in the sign and marker industry. We do it right, without cutting corners or using inferior coatings. Visit our website to learn all the details on how your signage is being finished, care and maintenance instructions and more.

Learn more about our finishes.

BEFORE ORDERING OR REQUESTING A QUOTE...

We'll prepare a quote and proof to get started on your custom cast products. To ensure the fastest turnaround and help avoid costly errors, we'll need a few key details from you first. If you have any questions, please don't hesitate to call us at 800-705-1446.

PART NUMBER

The part number can be found in the "Product I.D." section on the product page. For custom items not listed in the catalog, please share as much relevant information as possible from the categories below so we can prepare an accurate proposal.

SIZE

Share the exact or approximate dimensions of the product. If you're unsure about sizing, we can help guide you. During the quoting process, we'll also let you know if a more economical option or alternative layout may be available.

SETUP CHARGES

Some products require a setup charge until specific quantity thresholds are met. Please refer to the product page for details or contact our customer service team for pricing information.

SHAPE

Standard shape options are listed on the product page. Custom shapes are also available for an additional charge—please contact our design team to discuss options and pricing.

LOGO

If you'd like to include a logo on your sign, please send us the artwork so we can confirm it's suitable for proofing and production. Accepted file formats include PDF, black-and-white JPG, Illustrator, or EPS. Logos provided in other formats that require additional design work may incur extra charges.

SIGN INFORMATION

What information will appear on the sign? Signs can include a wide range of elements such as text, logos, directional arrows, special characters, and more. Providing these details at the time of quoting allows us to recommend the most suitable sign type for your needs and ensure accurate pricing.

BACKGROUND COLOR

Refer to "Background Color Options" on page 55 to view our standard color selections. Custom color matching is also available for a small additional charge—please provide Pantone color number(s) with your quote request.

MATERIAL & RAISED FINISH

Cast aluminum and bronze signs are available with a raised finish option (see page 54). Raised elements may be polished or painted using any of our standard background colors.

MOUNTING STYLE

Please indicate your preferred mounting style—see "Mounting Styles" on pages 52-53. Depending on the product, multiple mounting options may be available. For custom mounting applications, contact us for details; additional charges may apply for custom assemblies.

SPECIAL INSTRUCTIONS

If you have any special requests regarding the manufacturing, finishing, or shipping of your sign, please let us know. Be sure to include all special instructions when submitting your quote request.

OTHER HELPFUL THINGS TO INCLUDE:

- Drawings, artwork, hand drawn sketches, or photos of the product being quoted
- Physical samples of the product you wish to match or replicate
- Complete contact information and delivery details (*Including: Name, phone number, shipping address, lift-gate, etc.*)
- Project timeline or any time-sensitive requirements
- Microsoft Excel or Word files listing sign details, yardages, and marker specifications
